

CREATING A HIGH-PERFORMING ORGANIZATION: Mistake Proofing Training and Practice

Creating a high-performing work environment where human errors and defects are not accepted. Instead errors and defects are identified, and work processes redesigned to control and minimize the occurrence and effects of human error.

Mistake Proofing

Also known as **Poka Yoke**

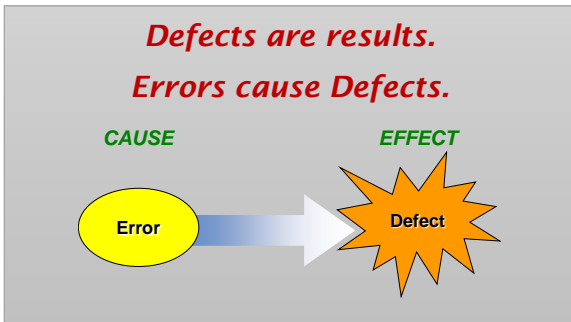

A technique for making it impossible to make mistakes.

WHAT YOU GAIN:

- 2 days of interactive, hands-on training with practice (Bring an error)
- Methods / techniques to identify, evaluate, and Poka Yoke work processes
- Meet and learn from others leading improvement activities

Agenda: (2 Days)

- ✓ Types of errors vs. defects and conditions that allow mistakes to occur
- ✓ The Mistake Proofing approach
- ✓ Leading a team through the Mistake Proofing improvement process
- ✓ Understand human factors and their impact
- ✓ Poka Yoke devices and strategies
