

# Community WORKSHOPS to Progress Accreditation Domains & Standards Together

Join the Public Health Community Accreditation WORKSHOPS to learn and advance your Accreditation preparedness.

Workshop participants will collectively work through selected standards: understand requirements, share references and examples, and individually progress organization actions and materials.

*“A goal of public health department accreditation is to promote high performance and continuous quality improvement.”*  
PHAB

*Workshops on domains and standards you choose*

## **BENEFITS:**

- ✓ Develop knowledge, skills, energy, and excitement for Accreditation, Continuous quality improvement, and high performance
